Sir,

Levy of double the rate of fine prescribed for impounded cattle under cattle tresspass Act to prevent cattle nuisance in the streets of Heggadadevanakote Town

---

I have the honour to forward herewith, a report dated the 30th September, 1947, received from the President, Minor Municipal Council, Heggadadevanakote, on the above subject, and to state that in the circumstances explained by the President, it appears to be a fit case to be brought under proviso to Section 12 of the Cattle Tresspass Act by a Notification declaring the area, within the Municipal Limits of the Town, (which is subject to such nuisance) to be subject, to the proviso of the said section until such time that the nuisance complained of ceases to be A copy of the resolution passed by the council in this behalf is enclosed

I request in the circumstances, that Government may be kindly moved to issue a notification under the above authority to levy of tax not exceeding the double fine prescribed per head of cattle to prevent the nuisance reported as it is felt to be unbearable, the ordinary rate of levy prescribed having failed to abate the nuisance

I have the honour to be,
Sir,

Respected Sir,

I beg to bring to your kind notice that here has been an unbearable nuisance caused to the Public by the Cattle allowed by the owners to remain as they like on the streets of this Town particularly at nights Action taken to prevent this intolerable nuisance under ~~Section~~ the Cattle Trespass Act to impound them was of no avail The question as there ore, seriously considered at the Council held on 30th September 47 when it was resolved that sanction of the Deputy Commissioner be sought urgently to levy at double the schedule rate to the cattle impounded half of the amount realized being paid to the person who brings the cattle into the pound I understand that such a procedure is in vogue in Mysore City unicipality. It is only when this procedure is adopted here the nuisance to the public can be obviated at once This Proposal was sponsered by by one of the Councillors and the same was universally welcomed I feel that this is a very desirable step to be adopted by this immediately
unicipality/to avoid inconvenience to the Public An extract of the revelant Council Resolution is herein enclosed for kind perusal

Yours T ol

I beg to solicit immediate orders on the proposal

Yours Obediently
